

Engineered Risk Coverage

CHUBB®

Engineered Risk at Chubb

Chubb delivers specialized and integrated inland marine and property insurance solutions with sophisticated claim management, loss control, risk and safety engineering. Whether our customers are large transportation authorities or local municipalities, we work collaboratively to help develop effective risk management solutions that utilize both traditional and non-traditional approaches.

Engineered Risk can be tailored to meet location-specific requirements, as well as addressing customers' potential financial losses stemming from physical loss to public infrastructure and transportation.

With considerable capacity for operational civil structures, and significant critical catastrophic capacity for flood, earthquake, and named windstorm, Chubb can craft a policy to address your clients' exposures.

Coverage

- Designed for Public Entities, Public-Private Partnerships, and Concessionaires
- Individual civil structure and portfolio programs
- Physical Damage and Business Interruption coverage are available
- International Engineered Risk for U.S. and Canadian-based clients, including local policies where needed
- 100% placements and quota share lead terms, as well as the ability to provide quota share coverage with our follow form; terms are based on underwriting review and client requirements
- Various optional coverages and endorsements based on client exposures, including multi-year conditions, and newly acquired property on a selected basis

What Makes Chubb Different?

Chubb's Engineered Risk product includes an exceptional team of underwriters, claims, and risk and loss control professionals who understand and communicate the complexities of the industry, including the exposures faced both in the U.S. and abroad.

Chubb. Insured.SM

Chubb is the marketing name used to refer to subsidiaries of Chubb Limited, providing insurance and related services. For a list of these subsidiaries, please visit our website, www.chubb.com. Insurance is provided by ACE American Insurance Company and its U.S. based Chubb underwriting company affiliates. All products may not be available in all states. Surplus lines insurance is sold only through licensed surplus lines producers. This communication contains product summaries only. Coverage is subject to the language of the policies as actually issued. Loss control evaluations, reports, recommendations and services are made solely to assist the insurer in underwriting and loss control and are not to be construed as an added benefit for the insured, property owner or any other party. Form 04-01-0119 (Ed. 7/17)
